

The Grand Champion is not the driver with the highest overall score, but the driver who scores the most points using the National Grand Champion formula. This formula gives more weight to the Written and PreTrip scores than just looking at the overall score, which very heavily favors the performance on the course.

****THERE WAS A CHANGE TO THE 5-AXLE STANDINGS BECAUSE OF A DISQUALIFICATION**

Final Standings

Class	Place	Name	Final	Employer	ID	Written	Pre-Trip	Skills
