

Dear New Mexico Trucking Association Member,

Have we missed you? We understand the industry is ever changing and we want to make sure that you are kept up to date! Due to COVID-19 we realize that your company may have experienced changes in personnel and/or contact information. The NMTA is also working on putting together a comprehensive member directory and want to make sure that your company is included. Please provide contact information for anyone in your company that should be getting our updates. You may fill out the form below and return to the NMTA or visit [www.nmtrucking.org](http://www.nmtrucking.org) to update your information.

The New Mexico Trucking Association (NMTA) works to protect and preserve the rights of our Valued Members and the Trucking Industry in New Mexico. Some of the recent developments, issues and concerns we have addressed over the past three years include tax increases, weight and distance tax, Highway Safety (including Road Conditions, Rules & Regs) and unfair and/or unreasonable rule making that would have negatively impacted the Trucking Industry.

If you would like to discuss your membership at the NMTA, please send an email to [jrjohnson@nmtrucking.org](mailto:jrjohnson@nmtrucking.org) or call me at (505)884-5575.

Sincerely,

A handwritten signature in blue ink that reads "Johnny R. Johnson".

Johnny R. Johnson  
NMTA Managing Director
